

WOC Basic Rules:

Welcome to the Warren Olympic Club! We hope your time here is relaxing and enjoyable. In order to keep our club safe and a fun place to be, we ask the following of all members and guests:

NO food or drink is permitted on or near the pool deck. Food must be kept under a pavilion. Water bottles are permitted on the pool deck with water ONLY. No glass containers of any kind are permitted on the pool deck.

Anyone under the age of 18 must pass the lane line test before using the Diving Area. Check with a lifeguard to take the test. We also ask that members and guests avoid being in the lap lane unless you are swimming laps.

All inner-tubes must be in the pool. Please do not put them on the pool deck or save them at your chairs.

Please remember that there is absolutely NO running on any of the cemented areas by the pool.

This is a family oriented club. That means no alcoholic beverages or drug use of any kind are permitted. Smoking and vaping is only permitted in our designated smoking area located behind the maintenance building.

Use of the grills is permitted on a first come, first serve basis. It is expected you will clean up after using the grill.

The pavilion areas are maintained by members and guests cleaning up after themselves. As a member owned/run club, everyone does their part to keep it looking nice.

Lost and found is located under the main pavilion.

If you have any questions please ask our lifeguards on duty.

Thank you and have a nice day!

General Pool Rules:

- Swimmers under the age of 12 must be accompanied by an adult or babysitter at all times
- No horseplay including but not limited to: tackling, pushing someone under the water
- Baby pool is for children under the age of 6 only.
- No inner tubes except for the ones WOC provides.
- During adult swims children are not allowed in or around the pool
- No stacking the inner tubes
- Mermaid Tails are NOT allowed for safety reasons.

Diving Well Rules:

- One bounce on diving board
- No cartwheels, handstands, or inward dives
- No swimming in the diving well (the area before the ladders) when the boards are being used
- Only one person on the board at a time
- The diver must wait until the previous diver has made it to the ladder before going off the board
- Divers must exit the diving well on the ladder or the wall after the ladder

Lifeguards reserve the right to bench children not following rules. Adults violating rules will be asked to leave the property.
